WELCOME

.....
Merivale venues are synonymous with unforgettable events, Chef Hats, dance floors, and precision-made cocktails. In this respect, Merivale is about indulgence, but we're also serious about business. And we'd like to know how we can help yours.

We offer a range of commercially-minded solutions for businesses - from entertaining, rewarding and recognising your clients or staff, engaging your teams or for anything else that suits your needs. If you'd like to know more about what we can do for you, have a chat with one of our dedicated Merivale business managers.

With a versatile range of venues, regardless of the scope of your event we have a space to suit your needs. Gala dinners, cocktail parties, product launches – whatever the occasion, we'll make sure it's one to remember.

Not only that – we'll provide the finest and freshest food and drinks. We challenge ourselves to give you an event experience that's above and beyond. That has more than a hint of the Merivale magic. Talk to us about how we can exceed your expectations.

Whatever the occasion,
we'll make sure it's one
to remember.

...

“That feeling of magic
and wonder of our
childhood - that’s what
I want to give Sydney.”

.....
Does the very mention of a conference have your eyes glazing over? Then you've clearly never been to one at a Merivale venue. We pride ourselves on injecting a bit of style into an otherwise entirely corporate event.

To us, every conference affords an opportunity: To create an environment that promotes learning and collaboration. To have fun. And to never, ever be boring. The majority of our venues are ideally located in the Sydney CBD.

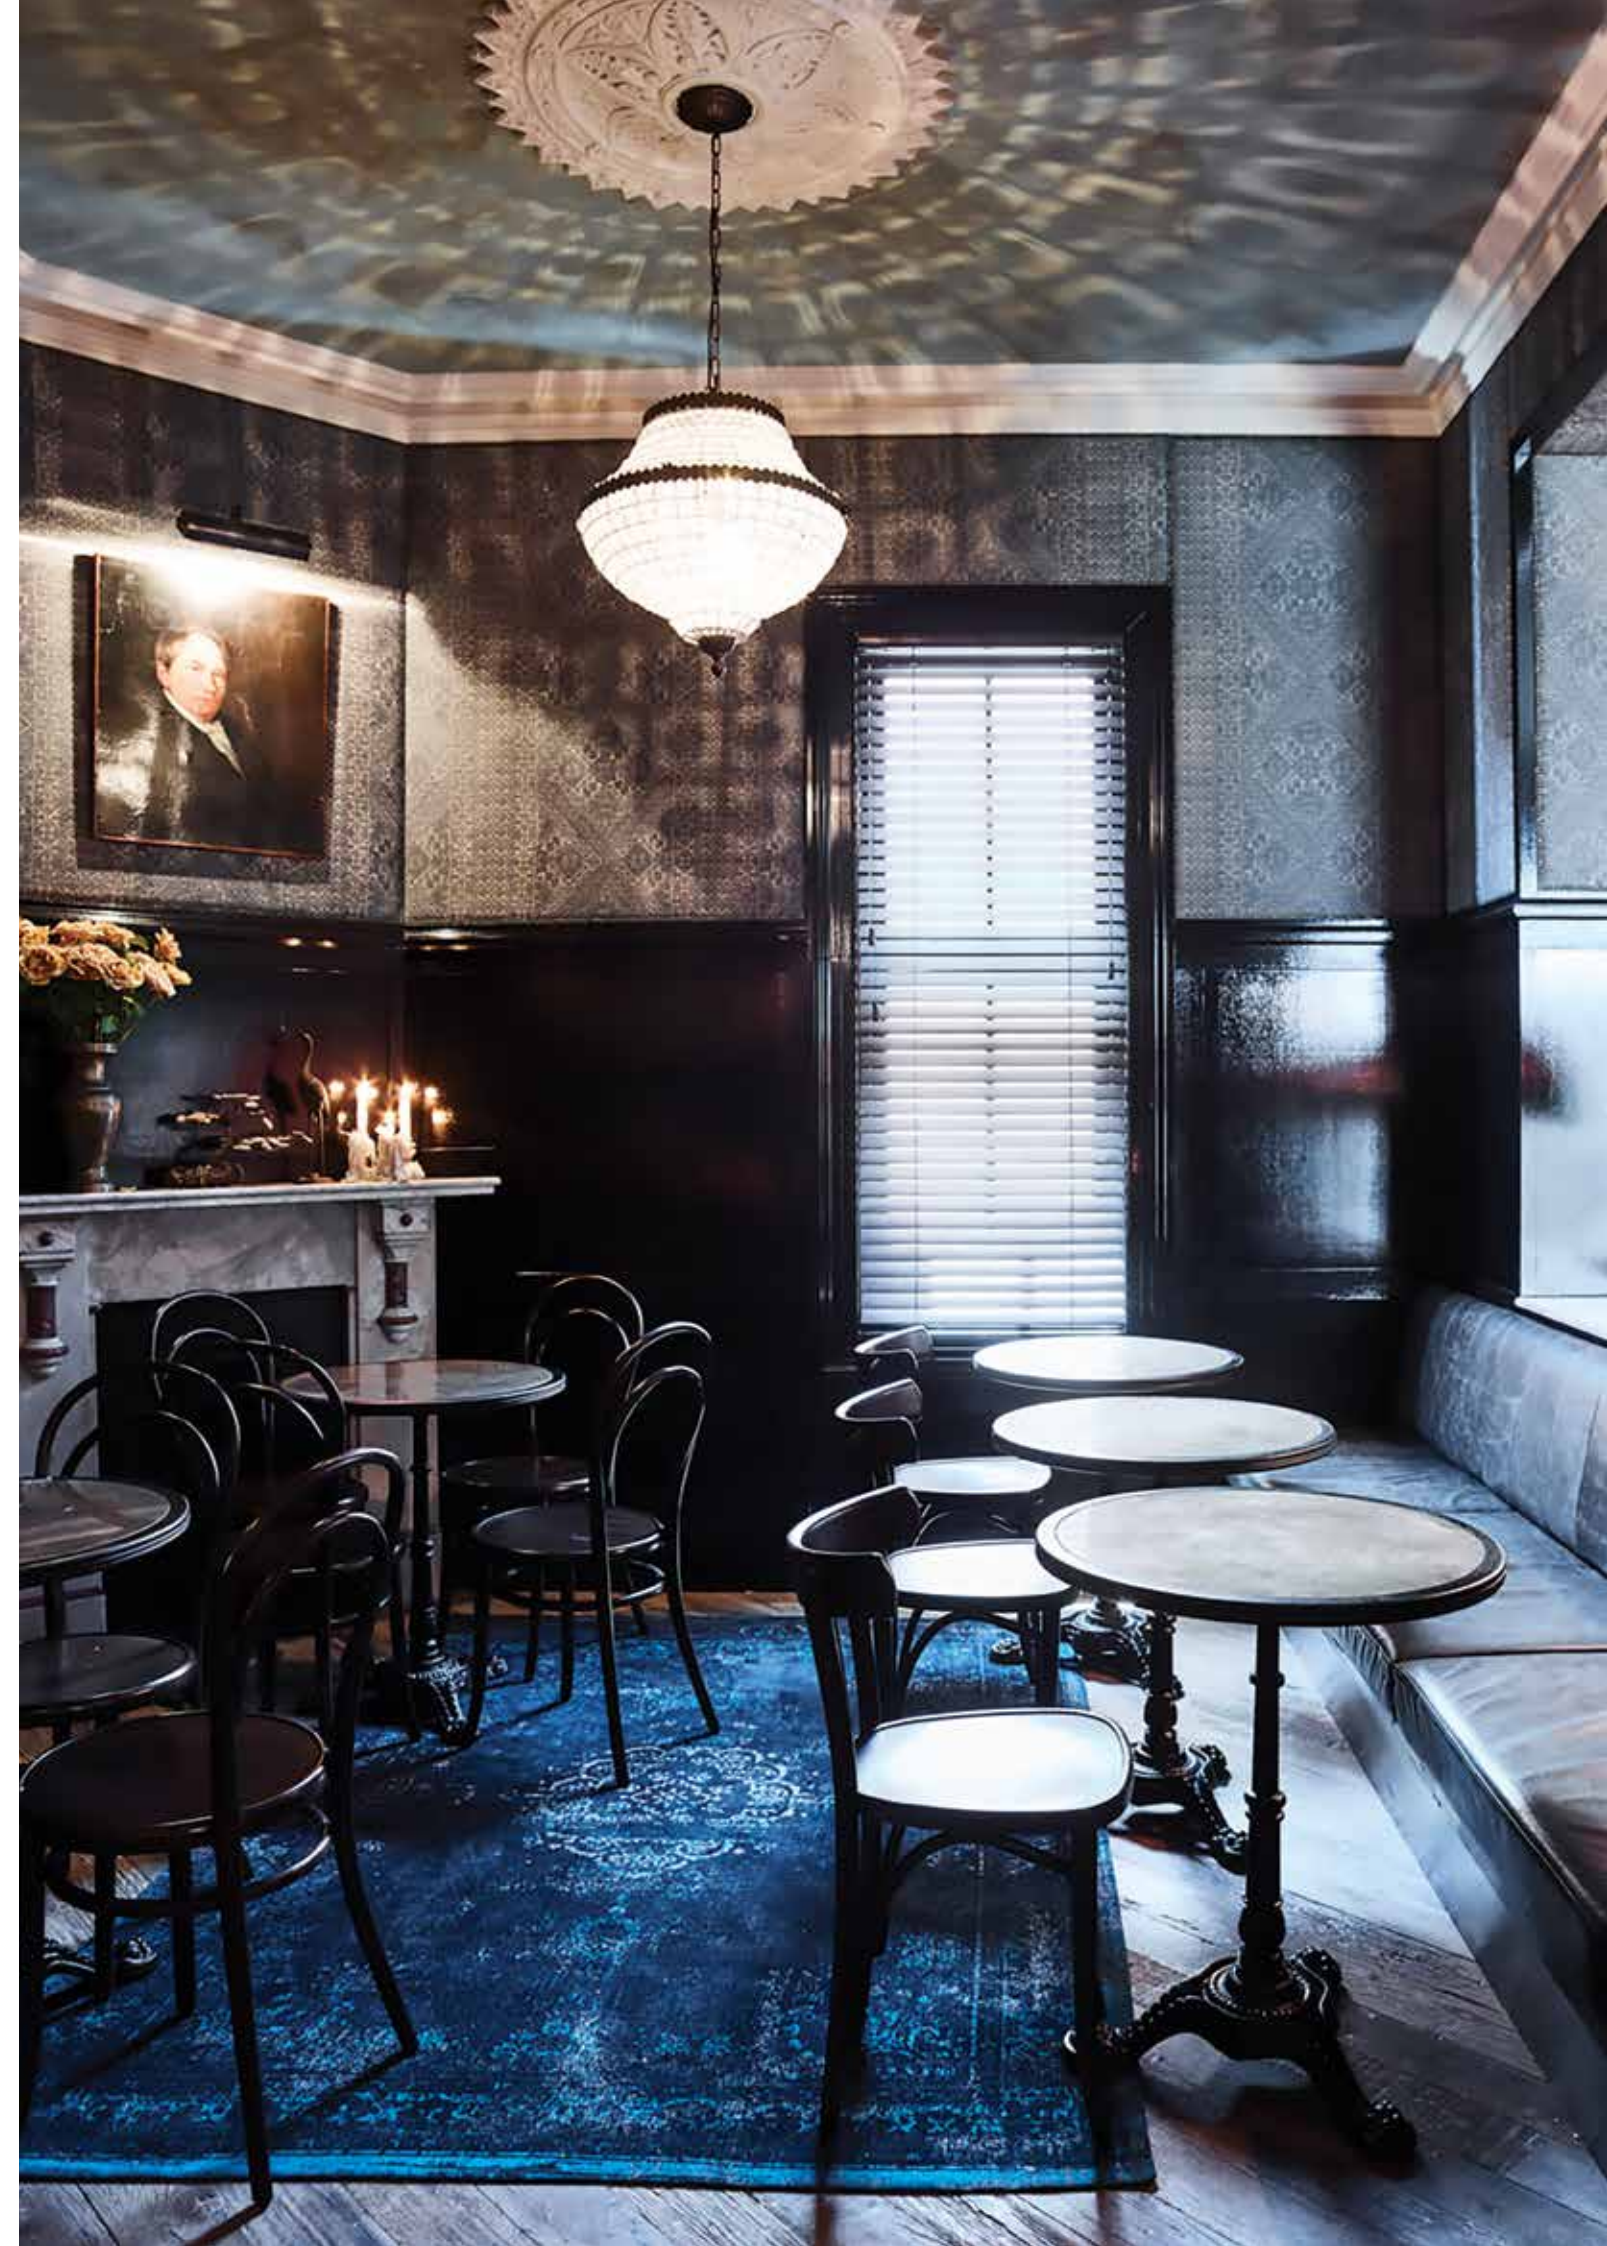

Our venues cover a wide range of experiences. Get creative: host a workshop in a 1920s-style speakeasy bar, or hold your own concert. We can make any idea a reality.

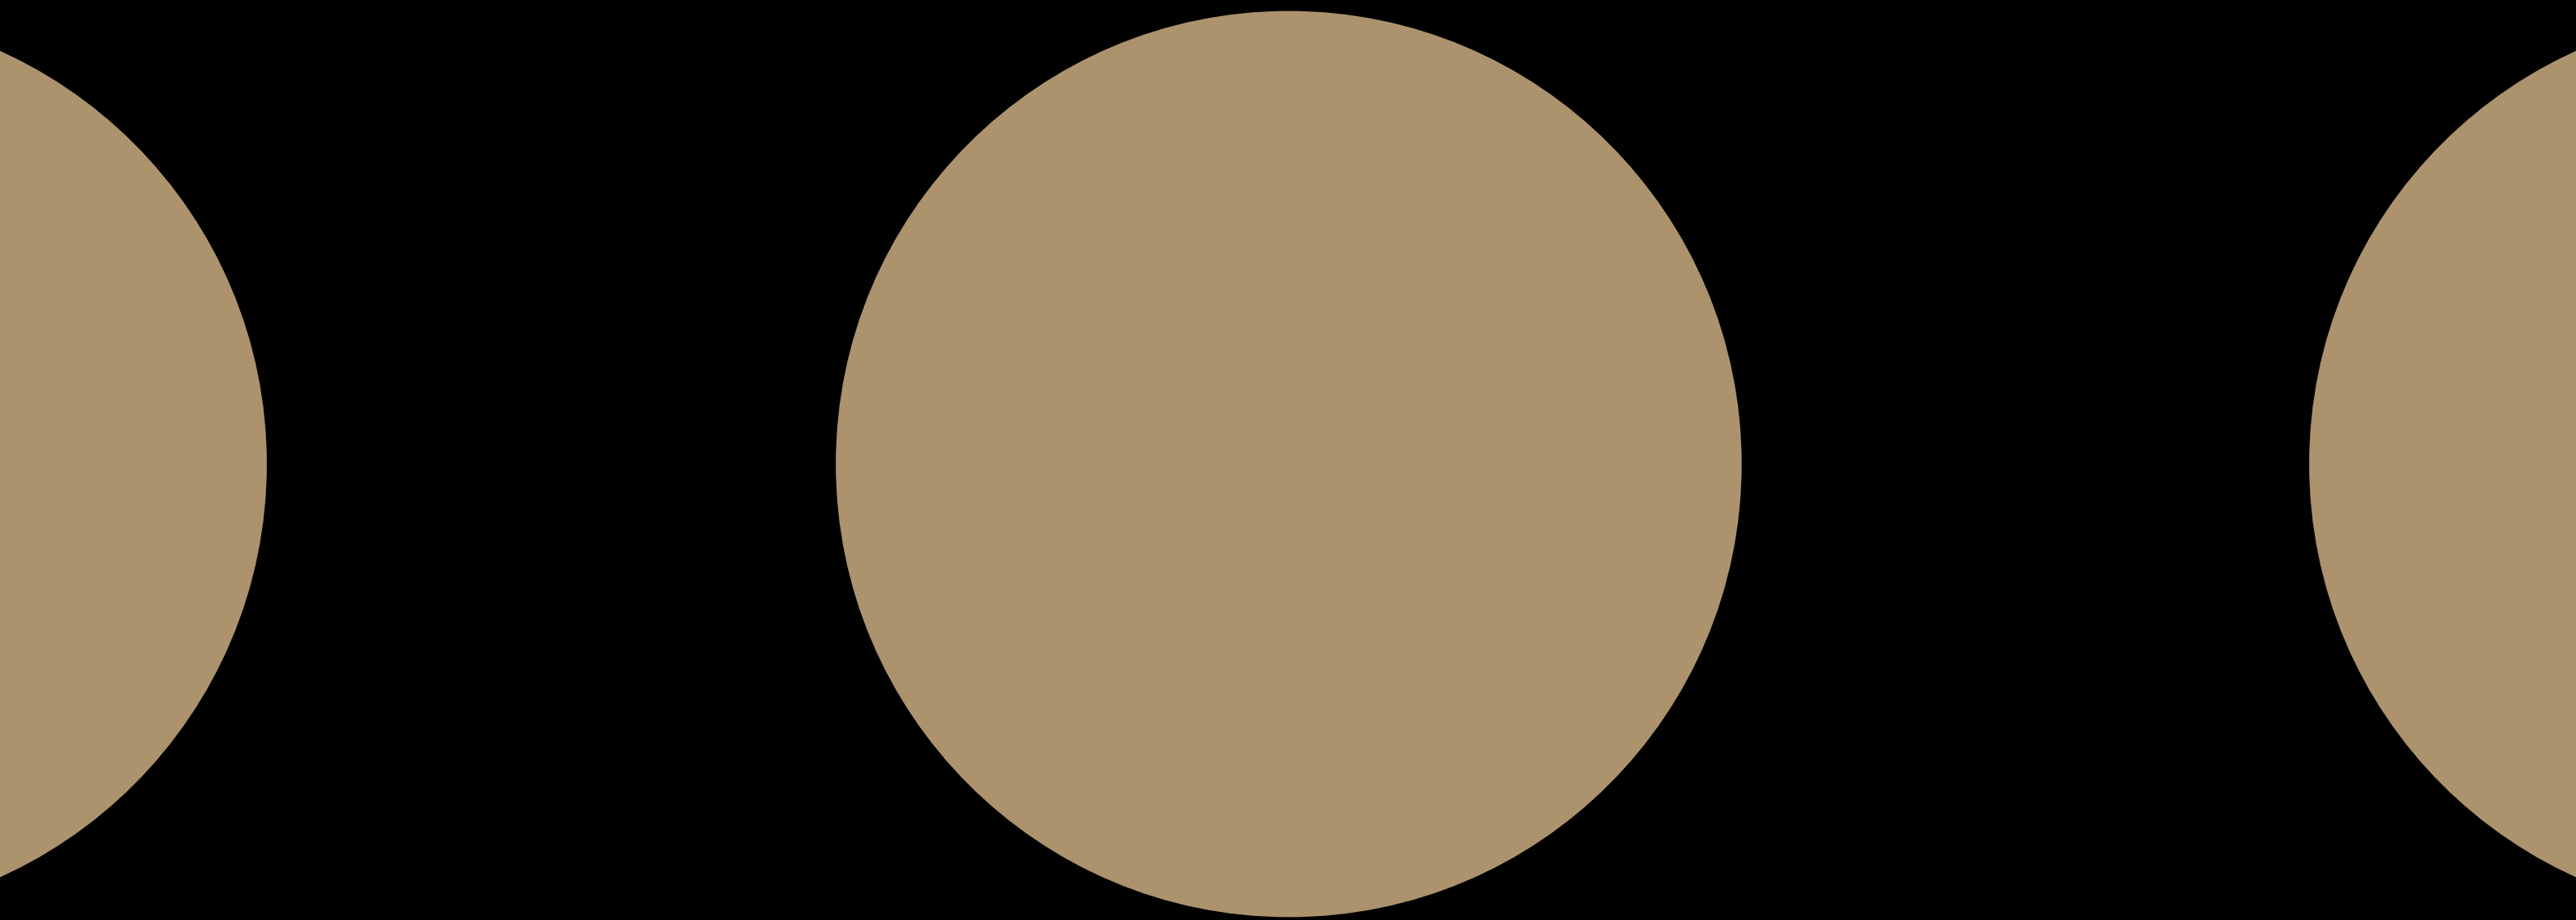

If you bring the crowd, we'll bring the party.
...

.....
Getting your friends together for a drink is a long-held Aussie tradition. Whether it's to congratulate, commiserate, catch up or just have a few laughs – if you bring the crowd, we'll bring the party.

We have many bars, each with their own distinct fit-out and ambiance. Like to know more about booking one of the Merivale bars for your group? Get in touch and we'll facilitate all the introductions you need.

We're constantly looking at ways to ensure Merivale restaurants remain the benchmark in Sydney for great food and service. ...

.....
We've got over 20 years of experience in hospitality under our belt and an array of Chef Hats and awards to show for it.

Our restaurants, while very different, each serve as an example of the best of their kind. From a dumpling bar to refined, silver-service private dining rooms, our aim is excellence. We're constantly looking at ways to ensure Merivale restaurants remain the benchmark in Sydney for great food and service.

Our business managers can show you how to translate your corporate offering into this environment; so that your teams and conference delegates have access to the best dining this city has to offer.

“From the people who
produce the things
I get to cook, to seeing
the next generation of
chefs come through,
people and their
passion around food
gives me collective
inspiration.”

JORDAN TOFT

The most exclusive
area within Merivale
has always been imbued
with an air of mystery.
...

.....
You may have heard about our
Level 6 Members’ Club. Then again,
it’s just as likely you haven’t. And
we’re fine with that. Because the
most exclusive area within Merivale
has always been imbued with an air
of mystery.
The members-only space is unlike any other.
The lavish sunken lounge and central CBD
location are host to good company and
exclusive events.

Level 6 is the perfect setting for closing the
deal. Or indeed, celebrating it. If you have
a situation where impressing someone is
critical - perhaps for a high-level meeting
or a pre-or-post dinner cocktail, or indeed
any occasion where discretion is key - this
is the place.
Have we piqued your interest? Your Merivale
business manager will be able to tell you more
than we can here.

Discover something special at one of Sydney's most stylish hotels.

...

.....
One of the best things about Establishment Hotel (apart from its location, just steps from many of Merivale's attractions and Sydney's hotspots) is that it's not like any other hotel accommodation.

By that we mean it's not part of a chain; it's very much boutique.

With just 31 elegantly appointed guest rooms including two stylish Penthouse suites, Establishment has been variously described as hip, laid-back, one of Sydney's most stylish hotels and earthy-chic. Choose to stay, and you can come up with your own description.

For our business partners, this glamorous bolthole provides a very welcome place to rest your head either before or after a special dinner, function or event.

Talk to us about how we can organise a stay at Establishment for you or your team.

“My favourite part of the job is undoubtedly meeting so many different people, encouraging our guests to try something new, and working in a wonderful team.”

FRANCK MOREAU, MS

No neighbourhood ‘bottle-o’, The Bottle Shop, nestled into exclusive Palings Lane, is both a treasure of the world’s best wines and a fantastic resource.

We’re extremely proud of these sommeliers. Living and breathing wine – and being able to impart that expertise – is a true skill and it’s one we nurture and foster. Our award-winning sommeliers are headed up by Australia’s first Master Sommelier, Franck Moreau. At The Bottle Shop, you’ll find all manner of wines and spirits, including sought-after vintages and every single wine that is stocked in our restaurants and bars.

GIVE THEM THE WORLD

A Merivale Gift Card is the key to a good time. It can be used in any of our restaurants, many bars, hotels, bottle shops and flower shop.

Flex it to shout a round, or to pay for dinner. There’s no question – this little card has plenty of clout.

Give it as a thank you to your team members and you can guarantee they’ll be thanking you. Or conversely, use it to incentivise them. And if you’re intrigued by the benefit of co-branding and bulk purchasing, your Merivale business manager can tell you more.

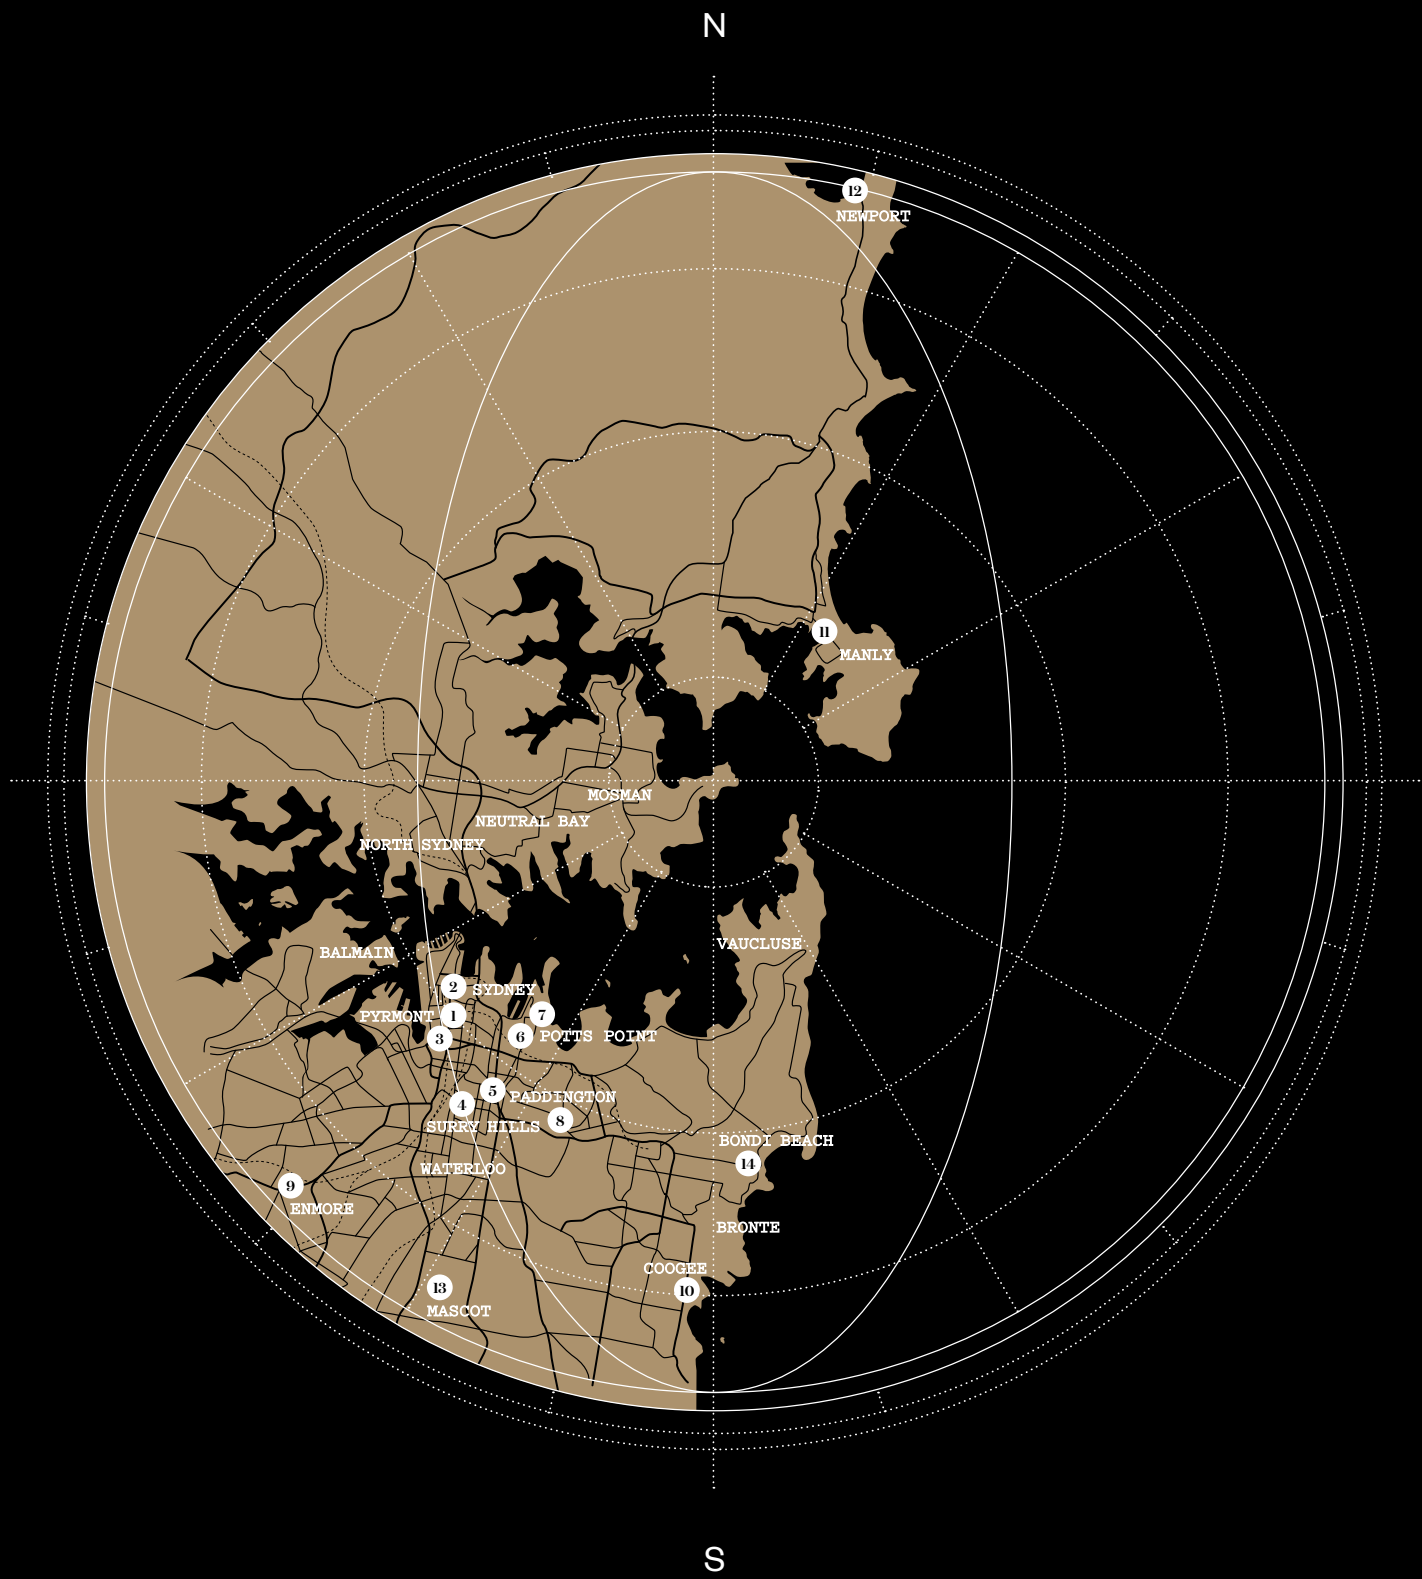

Our florist selects unique and beautiful cuts from the markets, to create bespoke arrangements ...

.....
When we decided to open a flower shop, we were never going to do things by halves. We wanted to create a space that feels like you're stepping into a floral apothecary.

Merivale's Palings Flowers in the ivy laneway is a darkly sumptuous store; a celebration of what's possible with the art of floristry. Our florist selects unique and beautiful cuts from the markets, to create bespoke arrangements that are both unusual and arresting. Their brief? To never create two bunches that are the same. So, the focus is on interesting varieties, with an emphasis on tailor-made bouquets and unlikely combinations. Beautiful, fresh flowers always add to any occasion. Engage Palings Flowers to add to yours.
