# Audience engagement with live video

Chime Live can help overcome the challenge of bringing remote presenters and participants together for your event. At home, at work or at the venue, Chime Live connects everyone via live stream, enabling you to carry on with keynote presentations, topic streams and breakouts as planned.

Chime Live combines high quality video streaming in our award-winning Chime attendee platform to deliver engaging, transformative and insightful meetings.

The interactive features help overcome distractions and keep engagement levels high. Post-event, you can share recorded sessions for participants who missed or want to replay a session. Also, enjoy access to Chime Live's analytics to help you evaluate, improve and report on valuable results.

Connect remote presenters and participants with Chime Live. At home, at work or at the venue, Chime Live is a virtual events platform that uses a combination of Zoom and live stream to broadcast keynote presentations, topic streams and breakouts as planned.

encore™ | managed webinar

The high-definition live stream event

Deliver a professional virtual webinar that's easy to use and supported by Encore's team of experts. Encore's managed webinar services are ideal for speakers presenting to any sized group of attendees. Our team of experts will walk you through the setup and management of your webinar. You will have full support alongside you while you present to ensure that your event is a success.

Your presenters can share presentations and videos with others at the push of a button. If an attendee is unable to view the presentation on a computer or mobile device, a dial-in number can be provided. No matter the occasion or need, Encore's team of experts is ready to assist you in coordinating your virtual webinars.

Interactive conversations over great distances has never been easier. Keep the conversation flowing and deliver a polished, high-definition live stream event to large audiences.
